

K-Love serves me as a member of my community by presenting me with a listening choice that doesn't include profanities, vulgar references and jokes or promote harmful behavior. It serves as a constant reminder that people are good, and that there is a solution for even life's most difficult problems. It strengthens my Christian values and knowledge.

If this station were replaced by LPFM our community would lose out in many ways. We would lose a station that crosses generational barriers. We would lose the possibility of reaching people who have nobody in their life to introduce them to Christ Jesus and the positives of living a Christian lifestyle. We already have a wide selection of secular stations, so this loss would be unique and far reaching.

The service provided by K-LOVE is in the public interest in that it encourages people to be honest citizens, concerned for others. It encourages people to leave behind harmful practices that are a huge financial and service drain on society such as alcohol consumption, drug use, gambling addictions, irresponsible parenting and promotes instead positive problem solving skills for marriages, parenting, job situations, etc.

Please don't make changes that will force K-LOVE off the air anywhere.

Thank you,  
Catherine Carmany
